### REPEAT

This dance, which was added to the Kickit archive on January 27, 2009, is virtually identical to "All About You" choreographed by 4-year-old choreographer Erin Mae Walker (March 2, 2005), "Toeing The Line" choreographed by Vikki Morris (June 4, 2007), and "Save A Horse Ride A Cowboy" choreographed by Helen Conroy Noonan (October 20, 2008). It differs from "Toeing The Line" choreographed by Vikki Morris only at count 10 ("step left together" instead of "cross left behind").

*It is also found contained entirely within "Alright, Already" by Marie Sørensen (November 27, 2011), "Born 2B Gaga" by Rep Ghazali (February 16, 2011), and "Here I Am" by Richard Rogers (November 18, 2010).*
